MEMORANDUM FOR: Executive Director

SUBJECT: CIA Organization for Scientific and  
Technical Intelligence

1. The attached memorandum for LCI signature replies to Mr. McGeorge Bundy's request for an updating of information on Agency progress in S&T matters.

2. The forwarding memorandum conveys general progress-- the attachment discusses activity in each of several areas. We have provided more than a normal amount of detail for such a reply as the request from Bundy specified that we address ourselves to specific paragraphs (15 a-c) of the FPIAB report of 8 March.
